

original meaning traditional vertical pdf

The loss of traditional windows from our older buildings poses one of the major . threats to our heritage. Traditional windows and their glazing make an important contribution to the significance of historic areas. They are an integral part of the design of older buildings and can be important artefacts in their own right, often made with great skill and ingenuity with materials of a higher ...

Traditional Windows - Historic England

Historical definition. Girard Desargues defined the vertical to be perpendicular to the horizon in his Perspective of 1636. The word "horizontal" is derived from "horizon", whereas "vertical" originates in the late Latin verticalis, which is from the same root as vertex 'highest point'.

Vertical and horizontal - Wikipedia
