The Survival / Homesteading / Preparedness

Safety and preparedness are extremely important no matter your physical ability or destination. You'll have a more enjoyable and safer experience if you're properly prepared.

Hiking Safety - NYS Dept. of Environmental Conservation

Camping is an outdoor activity involving overnight stays away from home in a shelter, such as a tent. Generally participants leave developed areas to spend time outdoors in more natural ones in pursuit of activities providing them enjoyment.

Camping - Wikipedia

Camping checklists should not just be for the obsessively over-prepared. Of course, depending on what sort of camping activities you have planned for your camping trip, its duration, the weather conditions, and facilities already available, your personal and printable camping checklist will likely vary in needs and length.
