The ways in which African institutions are attracting and mobilizing returnees and Pan-Africanists with incentives as dual-citizenship for diasporans to support reforms in Africa offers a new alternative approach for exploring Pan-African ideology in the twenty-first century. Returnees are also using these incentives to gain economic and cultural advantage. The book will appeal to policy ...

citizenship of people of African descent in the post-Civil War amendments to the U.S. Constitution. But in the first half of the nineteenth century the majority view, among both black and white intellectuals, was that a home was needed for the Negroes if they were to be free. Perhaps the most important black intellectual forerunners of Pan-Africanism were three men who addressed themselves ...

The AU and Global Pan-Africanism: Designating the African Diaspora as the Sixth Region African Diaspora as Engineers of Development in Africa The AU's Call and the Challenges of Integration

### **The African Union's Call for Global Pan-Africanism and the**

Pan-Africanism gained legitimacy with the founding of the African Association in London in 1897, and the first Pan-African conference held, again in London, in 1900. Henry Sylvester Williams, the power behind the African Association, and his colleagues were interested in uniting the whole of the African diaspora and gaining political rights for those of African descent.
