A Take Home Message. Gratitude is a human emotion that can be most simply defined as appreciation or acknowledgment of an altruistic act. Historically, philosophers have suggested that gratitude is one of the most important human emotions for the success of the society, and religious and spiritual thinkers have suggested that it is a crucial ...

What is Gratitude and What Is Its Role in Positive Psychology?

The discovery of Interpersonal Psychotherapy is a great example of scientific serendipity, in that, it was discovered by accident. The story goes that in 1969 the U.S. National Institute of Mental Health began a new policy of evaluating mental health treatments in the same way other medical treatments are tested.
