[[Epub Download]] Public Finance And The Economist Access Card

Public finance is a field of economics concerned with how a government raises money, how that money is spent and the effects of these activities on the economy and society.

Public finance - University of Calicut

In public finance we study the finances of the Government. Thus, public finance deals with the question how the Government raises its resources to meet its ever-rising expenditure. As Dalton puts it, "public finance is concerned with the income and expenditure of public authorities and with the

Public Finance: Meaning and Concept of Public Finance

of public finance. The famous American Economist J.M. Keynes has revolutionised and changed the meaning of public finance. According to Keynes, public finance should be used as an instrument for achievement of certain economic and social objectives. Before Keynes, the concept of public finance was to raise sufficient revenues for meeting public expenditure. In other words, before Keynes ...
